Minutes, July 7, 2010

Town of Arlington OPEN SPACE COMMITTEE

MINUTES – *Approved 9/1/2010*
Wednesday, July 7, 2010

Present: Ann LeRoyer (Chair), Joey Glushko, Lisa Decker, Elizabeth Karpati, David White (minute taker).

- **Minutes** – Minutes of the May 5, 2010 meeting were approved with no changes.
- **Open Meeting Law Requirements** – Joey discussed some requirements of the new state Open Meeting law which requires advance posting of agendas and public availability of advance materials. Specifics of how this will be implemented will be worked out over the next several months.
- **Mill Brook Linear Park** – Ann and Brian Barbour presented the Mill Brook document to the ARB on June 14. The reception was generally positive although there was some interest in more specifics of how this might be implemented. That is probably something that will have to come later as it needs more professional expertise.
- **Brighams Site Project**

The ARB also wanted some specific suggestions about what could be done in conjunction with the development proposed for the Brighams site. Ann will draft a letter and pass it by the committee for review and comment.

The applicant for the Brighams project is Wood Partners (WP East Development Enterprises) represented by Allen & Major Associates as engineers and landscape architects (www.allenmajor.com).

Next Meetings: Wednesday @ 7:30 September 1 or 8 (TBD).

Minutes by David White.
